## Savoury crêpes

A crêpe is a thin French pancake. Crêpes are originated from a northwest region of modern France called Brittany. Back then, the crepes were more often used as an everyday bread. Crepes is one of the most famous French cuisine's dish. Crepes are similar to pancakes; not just by its shape but also with its method of cooking. It is a staple food of France, but it's popularity spreads all over the world.
